Welcome to Spirit of Joy

Almost exactly two years ago, I was visiting a Spirit of Joy ministry partner in the hospital. It was just a couple days after the congregation's vote on whether to call me as your associate pastor.

Given this partner's health circumstances, he had been unable to participate in the vote. When I arrived in his ICU room, he eagerly asked for the results.

"They voted to call me," I reported. In response, he offered his hand. "Welcome to Spirit of Joy," he said, accompanied by a firm shake.

That gesture, and its corresponding greeting, continue to be one of my most cherished moments in ministry. There we were, in the most unglamorous of settings: the ICU. And there was Spirit of Joy.

As this gentleman inherently knew and reminded me, Spirit of Joy is not a building. She is a Spirit-formed community. She exists wherever we are and wherever God calls us to be. She is in hospital rooms, locker rooms, homes, airports, and cars. She is at the State Penitentiary, the Banquet, Bridges at Horace Mann Elementary School, the LSS Center for New Americans, and Feeding South Dakota.

She is also at 2208 West LaQuinta Street.

Spirit of Joy is not confined to a building, *and* she exists within a building. She gathers her people in a designated place for worship and faith formation. She lives outside of our building walls *and* within them, where together we hear the Word of God, break bread, and drink coffee. She resides in a place that sends us to other places, to follow the Jesus who loves us and calls us in many and varied ways.

This month we enter "Called in Faith, Growing in Joy," a capital campaign to raise funds for expanding the walls on 2208 West LaQuinta Street: this place--not the *only* place--where Spirit of Joy exists. Campaign gifts will help us welcome more neighbors into the life of this community: this community who will share in their joys and sorrows, who will tell them God loves them, who will empower them to love their neighbors, and who will hold out their hands and welcome them home.

Welcome to Spirit of Joy.

Ash Wednesday Worship-March 6

You are invited to gather with Spirit of Joy on Ash Wednesday, March 6, for a time of contemplation, worship, and prayer. We will offer **worship services at 5:30 and 7:00 p.m.** Both services will include a time of confession, imposition of ashes, and Holy Communion. Join us for this meaningful hour of truth-telling about who we are, and what God in Jesus has done for us.

Praying Through the Wilderness-Lent 2019

Do you have a favorite psalm that has been a gift to you in good times or hard times? During the season of Lent (which begins on Ash Wednesday, March 6), Spirit of Joy will be sharing psalms that have served as life-giving guides on our journeys of faith. We'll be sharing stories on Wednesday nights and on our Facebook page. We also invite you to get a hold of copy of **Lasting Hope**, this year's Lent devotional book that uses the Book of Psalms to point us to God and remind us of God's promises for us!

Sunday Faith 5

We continue to welcome and gather parents and elementary children as we learn more about the life and times of Jesus Christ. Recently we learned about the Great Commandment and did some collage work to find images for love, God, heart, mind, soul, and strength. In March, we look forward to hosting a Family Service Morning on March 31. (Need a hint about what we'll do, check out what the Sprouts & Faith 5 kids on Wednesday did in February!)

Wednesday Sprouts & Faith 5

A huge thank you to all children and parents who participated in our Wednesday Service Night. Our families rotated through three rooms to lend a hand to the following projects:

1. Cleaning out and repacking our "quiet bags" for worship services (our congregational project)
2. Gathering supplies and filling hygiene packs to be distributed to Food to You Mobile Food Pantry (our city project)
3. Creating "Thank You" Cards for new recruits in the armed forces (our nation-wide project)

Spirit of Joy Day Camp

Mark your calendar for Spirit of Joy's annual Day Camp on July 7-11, 2019. Day Camp runs from 9am-3pm (Mon-Thurs) and includes Bible study, games, art, snacks, worship, singing, and so much more! Day Camp is open to all current Kindergarten-5th grade students. Cost is \$40 per child. Find the Day Camp table in the gathering space to get more information and to register your child.

Youth Camping

Camping options through Shetek Lutheran Ministries and Lutherans Outdoors are plentiful for Summer 2019. There are several options for each age group starting in 1st grade up through 12th grade.

High school

Playing "What If..."

There's a writing exercise I used often in college called "What If..." where you just brainstorm ideas to write about. For example, "What if everybody had an irrational fear of sandwiches?" Although this can be a fun writing exercise, it applies to so many other areas of life, and I think it's time to apply it to our youth ministry. Parents, teens and other adults – brainstorm for a minute a question that starts with "What if..." I'll wait... Seriously, give it a try... So what did you think of? There is no way for me to know what your "What if" question was unless you share it with me - so please, reach out and let me know your thoughts.

Some of the "What if" questions I've had lately have scared me or given me goosebumps at how cool they are. Things such as:

- What if we had a core group of parents and teens (yes both!) to be a planning team of weekly get togethers and special events?
- What if teens led the children's message at worship on Sunday mornings?
- What if we had five caring adults to support each of our 80 high school students through prayer, mentoring, and relationship building?

These are all ideas that we'll soon start to tackle... starting with a planning team of HS parents and teens. So what can you add to the list? How can you be a person of influence and future thinking for our teens?

-Mike Haddican

SoJ @ Play

February was an exciting month for our teens. They served with Kids Against Hunger on February 6 alongside a group of SoJ Confirmation students. They packed a whopping 6,264 meals for people who are food insecure!

On February 20 we took to the tubing slopes for a chilly, yet awesome, night of tubing at Great Bear!

Devotions & Donuts

Starts Tuesday, March 12 and runs the 6 weeks of Lent (March 12, 19, 26, April 2, 9 & 16). HS youth are invited to join us for an exciting, 6 week time of devotion and God's Word on Tuesdays from 3:15-4:15 at Gravel Road Coffee Shop, in Harrisburg.

We'll gather to hear teens from Spirit of Joy share a devotion, a personal story and a time of prayer. Plus, donuts are provided for all participants! Teens & Parents - be on the lookout for a postcard with additional details coming to your mailbox soon!

March is Milestone Month!

Remember, milestones are for you and your child! We ask that one or both parents attend. If you have any questions, please contact Deacon Katherine at family@spiritofjoy.net

- Saturday, March 9 at 9 am - **Kindergarten** Prayer Pillow Milestone
- Wednesday, March 20, or Sunday, March 24- The Lord's Prayer Milestone for **2nd graders**. During the education hour.
- Saturday, March 23 at 9 am - "My Church" Shutterfly book milestone for **2 year olds**.
- Saturday, March 30, 9-11:30 am - First Communion Instruction for **1st Graders and older children who have not yet received instruction**. Pastor Jeff will be leading this milestone.

What's happening in Lent?

The Greatest Story Bible Introduction continues on Thursday evenings at 6:30 pm and Friday mornings at 9:00am. How wonderful to be studying God's word about Jesus' life, death, and resurrection during the season of Lent.

The Sunday forum series for Lent (10am in the Galilee Room) will focus on the gift of prayer. We all wonder about prayer: Are we doing it right? Are we saying the right things? How does God hear our prayers? Why should we pray? You may have your own questions. Join us beginning Sunday, March 10, as we explore prayer together.

First session: "Making Prayer a Habit - Lessons from Tevye."

Holy Week

Children and Good Friday - How do we talk about this?

We are here to help partner with you in sharing the story of Jesus' last days on earth. On **Good Friday morning, April 19 at 9 am** we invite families to join us as we explore this holy day of Jesus death on the cross and as we get ready for Easter morning. You are welcome to join us. Bring your grandchild, a godchild, a neighbor or friend. We grow in faith best when we grow together.

Tired of the snow? Start preparing for the...

Spirit of Joy Preschool Bike-a-Thon & Open House Monday, May 6*, 6:30-7:30pm

Included in this event will be a bike ride, s'mores, creative chalk art, fun family pictures, and garden walks. Friends, partners, and Preschool families are invited to joy the fun-- a great way to enjoy a spring evening. Bring your friends!

Participate in the event however it works best for your family: join the Bike-a-Thon fundraiser; play outside on the playground with chalk and bubbles; or explore the preschool classroom toys. Or try all 3! Bikes, trikes, scooters, strollers, and wagons are welcome.

*This year our tiny bicycler will be heading West!
Help preschoolers "ride" across the U.S.!*

Our Goal:

To raise funds to purchase Kindermusik curriculum as an addition to current Preschool programming. Kindermusik curriculum offers a joyful music experience that encourages learning and development for young children. It is research-based music education that nurtures children in a variety of learning styles and developmental abilities: "... each activity providing the groundwork for building language, literacy, math, and social-emotional skills." kindermusik.com

How the Bike-a-Thon works:

Participants collect sponsorships from families and friends and then ride/walk at the event to determine the number of laps. (For example: Sponsor \$1 per lap, participant rides 20 laps = \$20 donation to preschool.) Instead of sponsoring a child, donations are another way to support the Preschool. Sponsorship/donation forms will be distributed soon.

**Rain date- Monday, May 13, 6:30pm.*

February was short but sweet.

The month always zooms by, but this year it was particularly fast because of a few snow days and holiday break at Preschool. However, we were still able to pack in sweet activities.

In keeping with one of the key messages of Spirit of Joy, “all people matter to God and so they matter to us” (or at Preschool, we say “We take care of each other”), the month began with exploring friendship. Preschool classes discovered the Bible story of two friends David and Jonathan. Games, crafts, snacks, and centers offered preschoolers opportunities to work and play as friends. The theme closed with a Valentine’s Day celebration shared with parents, siblings, and classmates.

In the middle of the month, parent/teacher conferences were held. Conferences provide time to connect with each other without the hurried schedules of pick up and drop off. I treasure the time and conversation with families.

We also learned about Jesus’ calling his disciples. Jesus said, “follow me” and they stopped what they were doing and followed. After hearing the story, children played the game “follow the leader.” Then we shared the love of God with others just like the disciples. Heart stickers were delivered to whomever was visiting the building with a message- “Jesus loves you” -- a wonderful message both to share and hear.

Maybe the month goes so fast because we are having fun together. Thanks be to God for this caring community. Jesus loves you! -Miss Amy

SoJ Preschool Family Movie Night & Open House March 26 6:15-7:15 pm

Familiar friends and new friends are welcome to attend family movie night and tour the Preschool. Bring your blankets and pillows; wear your pajamas if you wish. We will provide the popcorn, water, and fruit snacks! Come and go as needed. If you know someone who is considering Preschool this fall, invite them to this fun event. See you here!

Charis Ministries: Are you aware of what the mission of Charis Ministries is, who it serves, and how SoJ is a partner in this?

Charis ministries is a non-profit organization formed by 13 partner ELCA churches in the Sioux Falls area. These congregations are essentially the owners and operators of this business in which we work together and pool our resources, time, and talent by working together to decrease hunger in the Sioux Falls area and assist our neighbors in meeting essential needs. There are actually three partnerships that Charis focuses on:

1. **Food to You Mobile Food Pantry:** this ministry offers food on a monthly basis to those in need. Distribution takes place every Thursday at one of four partnering churches in Sioux Falls that donate their space. Households may use Mobile Food to You 1x/month, choosing which Thursday location they would like to pick up food items such as meat, milk, produce, bread, commodity items, and the food of the month which by the way, our SoJ men's group collects funds and purchases this food each month and donates this for distribution. SoJ is responsible in this partnership to sponsor and serve as honorary host 3x/year. Our funds given purchase food at special discounted pricing through Feeding SD to ensure the grocery essentials are there for these families. To give you an example of the need in this community, during the month of January alone over 310 families came to utilize this ministry.
2. **Necessities for Neighbors:** This operates now out of two locations providing essential items not covered by SNAP/WIC for families or individuals that have a need for items such as laundry detergent, feminine hygiene products, toilet paper, diapers, and other essentials. These items are distributed and funding comes from donations from churches (our toilet paper drive each fall), schools collecting these hygiene items, and some money given from the hosting church to help offset costs of these products. SoJ's commitment to this ministry is through a financial donation as well as serving in the distribution at one of the locations 1x/year. Charis recently added the second distribution site to meet the needs of the city and is looking at a variety of ways to help with funding to continue to meet this ever-growing need in our community. In January, Necessities for Neighbors served 335 families.
3. **Healthy Rides/Project Car:** A transportation system providing safe, efficient transportation for SF citizens who are involved in activities scheduled by supporting organizations and may include things like getting to doctors' appointments, senior companion and retired senior volunteer program volunteers to their assignments, or assist clients of SD Achieve or Dakotabilities to get to their assignments or special scheduled activities. Funding for this program at this time is through businesses and specialized grants and support. 84 rides were given to those in need in the month of January.

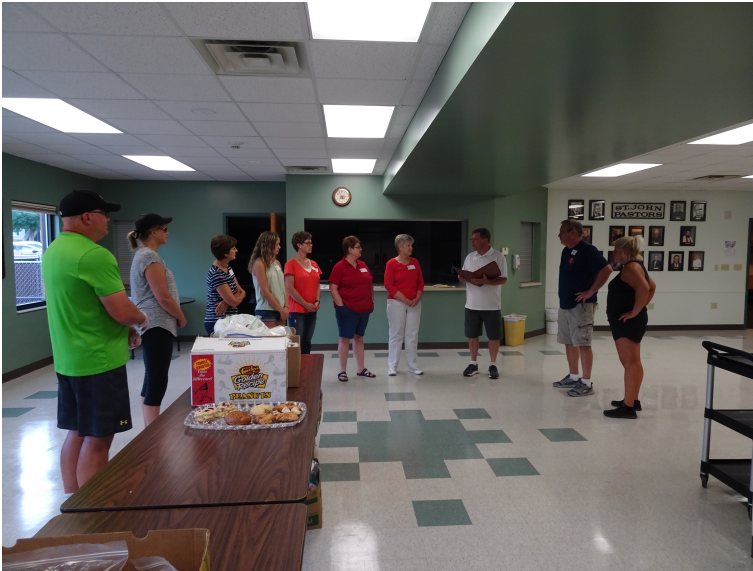

Currently, Angie Schrader is the SoJ representative on the Charis Ministries board. This board meets monthly to plan, problem solve and assist in keeping this organization funded and running efficiently to meet the ever-growing need in our community for these services. We look at the bylaws, make adjustments and advancements to the current programs to best meet the needs of our community and focus on how to effectively work to provide the funds and resources needed to run our 13 churches business. If you have any questions regarding this ministry, want to be more involved, or would like to make a personal donation towards the monthly needs and supplies utilized to support the ministry, please do not hesitate to contact me, as I'd be happy to visit more with you about this.

I hope to share more news and updates with you in the near future.

~Angie Schrader, SoJ partner
